The Hostage

When IRA men capture a British soldier as a hostage, they bring him back to a run-down Dublin brothel peopled by a bizarre cast of characters. Will the hostage be freed, go mad, or pay the ultimate price of war? Brendan Behan's raucous and hysterical drama overflows with an intoxicating blend of pathos, humor, dance and great Irish music. Don't miss this masterpiece by one of Ireland's most exuberant playwrights!

Featuring
